MEMO ENDORSED

Re: *United States v. Larry Farmer*, 19 Cr. 427 (LTS)

Dear Judge Swain:

I write on consent (Assistant U.S. Attorney Brett Kalikow) to respectfully request that the Court extend Mr. Farmer's surrender date – which is currently September 10, 2020 – by 60 days in light of the COVID-19 pandemic. On March 12, 2020, the Court sentenced Mr. Farmer to a term of 60 months' imprisonment, and set an initial surrender date of May 14, 2020, which has been adjourned twice due to the pandemic. At this time, my understanding is that the BOP is still not allowing inmates to surrender directly to their designated facilities, but instead requiring them to report to one of three quarantine sites – located in Missouri, California, and Oklahoma City – or to a "BOP detention center/jail unit," which may possibly include the MDC or the MCC. *See BOP Implementing Modified Operations*, available at: https://www.bop.gov/coronavirus/covid19_status.jsp. Hopefully, the BOP's designation process will normalize over the next few months. Mr. Farmer is working and has otherwise been compliant with all the conditions of his release.

Respectfully submitted,

The surrender date is extended to
November 12, 2020.
DE# 39 resolved.
SO ORDERED.
